Dear Parents,

I am so excited about this next year at Element Student Ministry and Element Café. My name is Robert Sturdivant, I am the Director of Middle School Ministries at Trinity United Methodist Church. I want to give you a quick update and information regarding Element Café.

Element Café is program designed to be a safe place where students can come on Tuesday and Thursday afternoons from 3-6 p.m. and enjoy a time of fellowship and devotion with friends and staff, have a snack or two and participate in various games in our gymnasium. This is one of my favorite times during the week. What a great opportunity for myself and our staff to connect with your student and show him or her the kind of love that comes from the life of Christ and God. In order to better facilitate this, I have attached the following forms with this letter. An "Element Café Permission Form" and our "Christian Conduct Covenant" form. I'd ask that you and your student together read through both forms and sign each, as a pledge that you will both partner with us to work towards continuing to make Element Café a safe and outstanding place for students to be involved in.

Please know that I am here to work with you towards fostering a love for and of God in your student. Please let me know if there is anything I can do for you and your student.

Blessings,

Robert Sturdivant
