CARPOOL

Carpool is provided for children 3-years-old and up when kindergarten or summer camp is in session.

I have read and agree to abide by TCDC's carpool policies. I understand that it is my responsibility to ensure that anyone I designate to drop off or pick up my child in the TCDC carpool line understands and abides by TCDC's carpool policies. I understand that I (or the person designated by me to pick up my child) am solely responsible for ensuring that my child is safely restrained in his/her car seat before departing TCDC.

Initial

If my child is too young to participate in carpool, or I choose not to participate in carpool, I understand that I should not park in the carpool lane between 8:50 - 9:10 AM and 12:50 - 1:10 PM on days when kindergarten or summer camp is in session.

STATEMENT OF HEALTH POLICIES

1. Each child attending TCDC must have a series of immunizations recommended by the child's physician in compliance with Alabama Law. An original Alabama Certificate of Immunization must be kept on file at TCDC and updated as required.
2. A child should be kept home from school if: (a) an illness prevents him or her from participating comfortably in TCDC's usual activities, (b) the illness results in greater care than teachers can reasonably be expected to provide, or (c) the illness is known to be contagious. Fever, unusual lethargy, diarrhea, vomiting, persistent crying, difficulty breathing, and other signs of severe illness are reasons for exclusion. *A child with an infectious illness usually should remain at home until he or she is free of fever for 24 hours after an illness.*
3. Parents should notify TCDC if your child is diagnosed with a communicable disease or contagious illness or is known to have been exposed to a serious and contagious illness. This allows the Center to inform other families regarding the exposure.
4. Children should be adequately dressed for outdoor play according to the season and weather. They generally go outside if it is not raining, even in hot or cold weather. If a child is not well enough to go outside, please keep him or her home.

5. Policy on Medication: In compliance with Alabama State regulations on administration of medicine by child care personnel, the following procedure will be followed:
- a. No medication or medical procedures (prescription or over-the-counter) shall be administered without a written, signed authorization, on the required form (available at the Center), from the child’s parent/guardian. Blanket authorization forms are prohibited. The authorization form must be completed in full, which includes the time and date to be administered; dosage; storage instructions; and specific directions for administering the medication/medical procedure, such as give by mouth, apply to skin, inhale, place drops in eyes, etc. An authorization form is valid for no more than seven days unless accompanied by a written physician’s statement directing a longer course of treatment.
 - b. Any prescription drug or over-the-counter drug sent to the Center must be in its original container. Prescription drugs shall have a pharmacy label or shall be accompanied by a physician’s written instructions. Over-the-counter drugs must be clearly labeled with the child’s name and directions for administering the drug based on the proper age or weight of the child. A doctor’s note is required to administer over-the-counter medication that does not include dosage instructions for your child’s age or weight. **NO** medication will be administered by TCDC staff if the label indicates that it should **NOT** be given to the child (for example, “do not administer to children under two years of age”).
 - c. Medication and medical procedures are administered to the child by the teaching or office staff. The person administering the medication or medical procedure will note the time and date of administration on the authorization form. Forms will be kept in the child’s file and made available to the parent/guardian on request.
 - d. Medications and forms must be left in the office with the director(s) or given by the parent directly to the child’s teacher(s). Medications are not to be left with the child or placed in the child’s bag, cubby, or any place that might be in reach of a child.

<i>I understand the above statement on TCDC’s health policy and agree to abide by it.</i>	<i>Initial</i>

I agree to sign a notarized affidavit acknowledging this fact upon my child’s initial enrollment and each year thereafter as required in order for TCDC to renew its license-exempt status.</i>	<i>Initial</i>
