PERSONAL WORD

We are building a Habitat House! Again. Part of our spiritual DNA as a church is to live out the words of Jesus in Matthew 25... "ever as you have done it to the least of these, you have done it for me." We believe that Christ calls us to be a part of his mission to transform all things – through concrete acts of service and mercy.

In my first year at Trinity, we were involved in building a Habitat House. Through the years, we have participated, led, and sponsored the building of a half dozen homes. Beginning in May, we will be building a home for the Toler family (a mom, her sister, and three children) in the Clay Chalkville area.

You can help in two ways:

1) VOLUNTEER to help by working on the home – use your inner handyman skills to drive nails, paint walls, etc. You can also help by providing lunch to workers on Saturdays. Contact Laura McCain at lamccain@bellsouth.net to sign up.

2) CONTRIBUTE. We must raise \$50,000. Gifts in all amounts are needed:

- \$10 buys a box of nails
- \$30 buys a gallon of paint
- \$100 buys a sink
- \$1,500 buys appliances

Gifts can be made to the church by designating your check for Habitat Build.

It is particularly appropriate that this house is being built in memory of Ken Johnson, the chairperson of our Trustees, who recently suddenly passed away. Ken was always front and center for Trinity Habitat projects and so many other hands on mission projects. When something needed to be done, Ken showed up! He was first in line. The example of his faithfulness and his servant spirit is an inspiration to all of us.

Let me encourage all of us to be involved in this Habitat Build through our giving and/or our time.

Have an EXTRA ROOM?

Our Youth Ministry team is so blessed to be able to offer internships to college students each summer who are seeking to serve God through student ministry. This summer, we are fortunate to have one college student who not only has interned in past summers, but also does not live in Birmingham!

We want to do everything we can to make him know how blessed we are to have him dedicate his summer to our church and students, so with that, we are seeking out provided housing for him. Josh is an upcoming senior at Troy University with plans of entering the ministry following college. Again Josh has served on our intern team in past summers and is an invaluable mentor and leader to our students.

If you have an extra bed, guest room, or garage apartment and would be willing to house Josh for the summer, please contact Robert Sturdivant, Middle School Director at 879.1737 or email rsturdivant@trinitybirmingham.com.

Are you in your 20's? Out of college? Not married? If so, please join Trinity UMC Young Professionals
